// Kim de Blecourt is a relatable speaker with a dramatic God story. Her passion for all God's children is instantly obvious. Her message is simple enough that even those who have never heard the name of Jesus Christ can relate, yet inspiring enough to invite those who have been Christians for years to see faith in a whole new way. Kim speaks from the heart with confidence and clarity. I highly recommend her ministry. **//**

PRAISE FOR *I CALL YOU MINE*

"Adoption not only welcomes a lonely child into a forever family, but it's also a beautiful picture of God's love for us. In *I Call You Mine*, Kim de Blecourt examines adoption through the lens of Scripture, pointing adoptive parents again and again to the truths of God's Word. Through this study, you'll find the sufficiency of Christ to help you parent your child with His love and compassion."

Jim Daly

President, Focus on the Family

"Kim de Blecourt's heart for orphans and those in need of adoption shines throughout this book. She reminds us that as an adopted people, we must be an adopting people. Kim's words will encourage and challenge you to see and care for the orphans and foster-children of the world."

Russell Moore

President, Ethics and Religious Liberty Commission of the Southern Baptist Convention

"I love this book! It's got it all . . . God's heart for the orphan, the plight of the fatherless, God's big, big plan to adopt us all, and an invitation to the church to lead the charge. Kim has hit a homerun with this book. It's a must-read for every believer! Not everyone is called to adopt, but we are all called to do something!"

Terry Meeuwsen

Cohost, The 700 Club and founder, Orphan's Promise

"*I Call You Mine* weaves the breathtaking costs and life-giving joys that most always come together in adoption. This is Scripture-soaked beauty."
